

# Is a Supported Internship right for you?

- A supported internship can be a good way of learning about what it's like to have a job.
- An internship lets you learn while you are at work. We call this 'learning on the job'.
- Have a look at our flowchart and see if a supported internship is right for you.

# What Supported Internships are there?

- There are loads of exciting supported internships in Camden and neighbouring boroughs.
- Click the different coloured buttons below to have a look, and if interested apply for a place on a supported internship.
- If you have any questions, or would like to know more, please call 020 7974 3061 or email us at [Gisele.Jumpp@camden.gov.uk](mailto:Gisele.Jumpp@camden.gov.uk).

Hi. My name is Tom. I have a full time paid job at Moorfields Eye hospital.

I initially started at Moorfields in an unpaid role, where I built up my confidence. I had an interview and I have been in this paid role for one year and three months. My hopes and wishes for the future are to keep working
